SUMMARY

Full Stack Website Developer with over **2+ years of experience** building secure, user-friendly, and scalable websites. Skilled in creating responsive front-end layouts using HTML, CSS, JavaScript, Bootstrap, jQuery, and Swiper Slider. Also majorly working with WordPress and Wix CMS, and familiar with back-end technologies like PHP, ASP.NET, & Laravel (through academic projects). Comfortable working in team environments, focused on writing clean, efficient code, and always open to exploring new tools and approaches to improve results.
